Give your immune system the green light.

PeacegreensImmune is a potent antioxidant formula designed to maximize cellular protection. It enhances an underactive immune system, while calming abnormally high immune responses such as those found in autoimmune conditions. PeacegreensImmune is also an excellent source of probiotics, which provide substantial protection against many diseases.

Peacegreens Immune has the highest level of probiotics available in a greens supplement.

Peacegreens Immune can be trusted to:

- Increase energy
- Improve digestive problems
- Establish a proper pH in the intestines
- Stimulate detoxification
- Improve mental alertness
- Protect against free radicals
- Enhance the immune system
- Provide 10 beneficial probiotics at 10 billion strength per serving

Ingredients
Each portion of 3½ teaspoons (10.1 g) contains:
(30 servings per bottle)

- Leucitum (from sunflower) ........................................ 2186 mg
- Ci li (Hosa rhazynth) fruit extract, 6% vitamin C and 4,000,000 IU SOD ........................................ 1 g
- Astra (Medicago sativa) ........................................ 1922 mg
- Barley (Hordeum vulgare) grass ................................ 600 mg
- Wheat (Triticum aestivum) grass leaf juice powder ........................................ 122 mg
- Organic spirulina (Spirulina platensis) ........................................ 460 mg
- Organic Chlorophyll (broken cell) ........................................ 425 mg
- Bee pollen ........................................ 150 mg
- Royal jelly, 6% 10-HDA ........................................ 150 mg
- Licorice (Glycyrrhiza uralensis) root extract, 10% glycyrrhetinic acid ........................................ 116 mg
- Milk thistle (Silybum marianum) seed extract, 8% silymarin ........................................ 60 mg
- Siberian ginseng (Eleutherococcus senticosus) root extract, 0.8% eleutherosides ........................................ 60 mg
- Dulse (Palmaria palmata) ........................................ 33 mg
- GinNSO biloa leaf extract, 24% flavonoid glycosides, 6% terepene lactones ........................................ 20 mg
- Green tea (Camellia sinensis) leaf extract, 50% polyphenols ........................................ 15 mg
- Bilberry (Vaccinium myrtillus) fruit extract, 25% anthocyanidones ........................................ 10 mg
- Grape (Vitis vinifera) seed extract, 15% proanthocyanidins ........................................ 45 mg
- Rice (Oryza sativa) sada ........................................ 383 mg
- Red beet (Beta vulgaris) root ........................................ 65 mg
- Free plant sterols (from non-GMO soy) ........................................ 52 mg
- Giant knotweed, 50% resveratrol ........................................ 40 mg
- Heimerobacillus pluvialis, 1.5% astaxanthin ........................................ 200 mg

Probiotics: 10 billion CFU, provided by the following strains: Lactobacillus rhamnosus R0011 (4 billion CFU), Lactobacillus rhamnosus R0159 (5 billion CFU), Lactobacillus acidophilus R0033 (0.5 billion CFU), Lactobacillus helveticus R0052 (0.5 billion CFU), Lactobacillus plantarum R0039 (0.5 billion CFU), Bifidobacterium breve US0117 (0.1 billion CFU), Bifidobacterium longum US0157 (0.3 billion CFU), Bifidobacterium longum US0093 (0.5 billion CFU), Lactobacillus casei R0035 (0.5 billion CFU), Streptococcus salivarius sp. thermophilus R0083 (0.2 billion CFU), Lactobacillus delbrueckii sp. bulgaricus R0001 (0.05 billion CFU).

Dietary enzymes (10 mg): alpha-Galactosidase (0.506 FCC alpha-galactosidase units), alpha-amylase (314.987 FCC alpha-amylase deacrinzinizing units), bromelain (19,200 FCC PU), cellulase (53.6 FCC cellulase units), glucoamylase (1,333 FCC AGU), hemicellulase (0.888 FCC HCU), invertase (2,133 FCC INVU), lactase (14,507 FCC ALU), lipase (80 FCC LU), maltase (3,467 FCC DP), papain (8000 FCC PU), pectinase (1.6 FCC endo-PCU), phytase (0.067 FCC FTU), protease I (1104.987 FCC HU), protease II (1200 FCC HU), protease III (1.52 FCC SAP), serratopsipectidase (4.987 FCC SU).

Other ingredients: Apple (Pyrus malus) pectin (1053 mg), potato starch, broccoli (Brassica oleracea Italic) extract (38 mg), acerola (Malopigma glabra) fruit extract (115 mg), Stevia rebaudiana leaf, arabinogalactan, inulin, ascorbic acid, and vegetable magnesium stearate.

NewRoots Herbal

Greens Immune
Fuel your immune system

• Specifically designed to optimize your immune system

Peacegreens Immune is a superfood formula containing 55 high-quality ingredients full of nutraceuticals, enzymes, vitamins, minerals, essential amino acids, vegetable proteins, antioxidants, probiotics, phytonutrients, fibre, and chlorophyll. One serving of Peacegreens Immune provides the equivalent of 6 servings of salad a day.

Peacegreens Immune is sold exclusively to finer health food stores. newrootsherbal.com/store

301 g = 30 portions

newrootsherbal.com
All the benefits of PEACEGARDS, plus these great immune-boosting ingredients.

**Pure Soy Lecithin** (99% oil-free, 97% phosphatide)
Lecithin is an emulsifier of fats. It keeps curry walls clean, preventing the accumulation of cholesterol and other fats. It also helps to dissolve fat deposits that already exist. It is essential for cell membrane health, especially in the brain, where lecithin improves memory, concentration, and general mental performance as well as muscle control. It also helps to absorb vitamins A and D in the intestinal tract.

**Probiotic Culture (10 billion per serving)**

*Containing Lactobacillus bulgaris, L. acidophilus, L. helveticus 8781, L. plantarum, L. casei, Bifidobacterium infantis, B. longum, B. breve, S. thermodr. L. reuteri, B. luteus, B. subtilis, and L. acidophilus (A.O.S.)*. This probiotic blend helps to restore and keep a balanced flora in the gastrointestinal tract. It improves the function of the intestinal digestion process and the assimilation of nutrients, and enhances immune function by implanting friendly bacteria and reducing pathogenic organisms. F.O.S. is a complex carbohydrate of vegetable origin that provides an optimal environment for the breeding of friendly organisms. A.O.S. encourages probiotic growth and also stimulates immune reactions.

**Royal Jelly (6% 10-HDA)**
Nutrient-rich royal jelly contains a wide variety of vitamins, minerals, amino acids, as well as some antibiotic substances. It is well-known for its support of the immune system.

**Bee Pollen (Multifloral)**
It has a high content of superspores diestore (SOD), 16 vitamins, 16 minerals, and 19 enzymes. It is excellent for the nervous system and the brain, and fights against fatigue and stress. It enhances stamina and increases energy.

**Licorice Root Extract (10% Glycyrrhizic Acid)**
Licorice has a significant anti-viral activity and stimulates the synthesis of the proteins that protect the liver. It has anti-inflammatory and soothing properties for the digestive and respiratory systems. It also has mild laxative properties. It supports the adrenal glands.

**Acerola Berry Juice Powder**
Acerola berries are one of the most potent sources of natural vitamin C. They also contain bioflavonoids known. The natural vitamin C facilitates the absorption of quercetin, an important bioflavonoid. Vitamin C is an antioxidant that helps to fight against viruses and bacteria.

**Ginkgo biloba (24% Flavonoid Glycosides, 6% Terpene Lactones)**
Research has shown that this herb has potent actions on the cardiovascular system. It acts as a circulatory stimulant, and improves blood flow to the brain and peripheral circulatory system. It also has antioxidant properties.

**Japanese Green Tea (65% Polyphenols)**
High polyphenols in and catechins, it is considered an excellent antioxidant and contains significant amounts of vitamin C and E. It has antibacterial and antiviral properties, helps to fight digestive and respiratory infections, and boosts the immune system. It assists digestion and the proliferation of friendly bacteria in the intestines. Antimicrobial and antioxidant properties have been reported in green tea.

**European Bilberry (25% Anthocyanosides)**
The berries and its pigments are believed to have many benefits to the human body. The active ingredient of these berries, anthocyanosids, makes the berries a good antioxidant. It helps to maintain healthy capillaries, reducing their fragility; protects the veins and arteries, and is of benefit in vascular disorders. Clinical studies show that bilberry has a very positive effect on eye conditions: it improves visual acuity and night vision.

**Resveratrol 50%**
Resveratrol is a natural, potent antioxidant commonly found in the skins of dark-coloured grapes, berries, and other plants. As an antioxidant, resveratrol helps protect against harmful oxidative reactions, supports the immune system, and may stimulate the proliferation of bone-building cells.

**Astaxanthin Extract 1.5%**
Astaxanthin is a carotenoid pigment similar to beta-carotene. This potent antioxidant is produced naturally by the freshwater algae *Haematococcus pluvialis*. Astaxanthin protects against oxidative degradation of lipids, supports immune system function, and may stimulate the proliferation of bone-building cells (osteoblasts).

**Grape Seed Extract (95% Procyanidin Acid)**
This extract is one of the most potent antioxidants known. Its antioxidant properties are 50 times higher than those of vitamin E and 25 times higher than those of vitamin C. Grape seed extract is absorbed very quickly by the organism. It reduces capillary fragility, prevents collagen degradation, and helps to restore elasticity in connective tissue.

**Milk Thistle (80% Silymarin)**
Silymarin, the main active ingredient of this plant, strengthens the liver and promotes the growth of cells. It detoxifies the liver and acts as an antioxidant.

**Siberian Ginseng (0.5% Eleutherosides)**
It is well-known as a tonic and stimulant for the whole body. It has anti-fatigue properties, and increases stamina and the ability to cope with stress. This root also aids mental functions.

**Beet Root (Organic)**
It is a good source of iron, carotene, enzymes, B-complex vitamins, fibre, calcium, phosphorus, and potassium. It stimulates the kidneys and the lymphatic system, and facilitates digestion.

**Broccoli Extract**
Quercetin-rich broccoli extract is a potent antioxidant and a source of polyphenols A carotenoids, fibre, and vitamins C and K. It also improves resistance to diseases of the stomach and colon.

**Digestive Enzymes**
We have added digestive enzymes for better absorption of this regenerating formula.

**Suggested Use**
**Adults:** Take 3-5 teaspoons (10-15 g) daily on an empty stomach or 15-20 minutes before a meal, or as directed by your health-care practitioner. Keep with plenty of water (4-6 glasses) if you are taking antibiotics, take this product at least 2-3 hours before or after them. Consult a health-care practitioner for use beyond 1 month.
