WITH PROMISING POTENTIAL**

**All New Roots Herbal Products Are Tested  
in Our ISO 17025–Accredited Laboratory**

# Quercetin

- **HIGH BIOFLAVONOID CONTENT**
- **NATURALLY SOURCED**

Quercetin is a naturally occurring flavonoid (plant pigment) which is found in many plants including onions, apples, kale, green tea, and multiple species of berries. Its antioxidant activity makes these plants resilient and protects their cells from environmental stressors.

The antioxidant action of quercetin is recognized for numerous human health benefits. Quercetin has a long history of traditional use, with current research showing promise for potential added health benefits.

Consuming quercetin-rich foods is a good start; however, quercetin in supplement form gives an exponentially greater quantity of this critical compound. It delivers an amount which more closely reflects dosage used in current therapeutic research.

Each capsule of New Roots Herbal's Quercetin contains 500 mg of naturally sourced, potency-validated quercetin.

**Make Life Better · [newrootsherbal.com](http://newrootsherbal.com)**

#### **Each vegetable capsule contains:**

Quercetin..... 500 mg

**Other ingredients:** Vegetable magnesium stearate and silicon dioxide in a non-GMO vegetable capsule composed of vegetable carbohydrate gum and purified water.

V0331-R3 · NPN 80024062

#### **Directions of use:**

**Adults:** Take 1 capsule daily or as directed by your health-care practitioner.

**Duration of use:** Consult a health-care practitioner for use beyond 12 weeks.

**Manufactured under strict GMP (Good Manufacturing Practices).**
