

Joint-Tissu&MSM

**TRIPLE-ACTION FORMULA FOR COMPLETE
JOINT SUPPORT AND PAIN RELIEF IN
OSTEOARTHRITIS**

TRIPLE-ACTION JOINT FORMULA

This clean, science-based formula—made without shark, bovine, or porcine ingredients—combines MSM, glucosamine, and devil's claw to support joint health and mobility. MSM provides a natural source of sulphur that helps form collagen and connective tissue, supporting flexibility and easing occasional discomfort from minor inflammation. Glucosamine helps maintain cartilage cushioning and healthy joint structure, while devil's claw, traditionally used in herbal medicine, helps relieve joint pain and stiffness associated with osteoarthritis for more comfortable daily movement.

Together, they help keep your joints strong, flexible, and ready for everyday activity.
